

# Directions to UCLA Anderson School of Management

UCLA Anderson is located in the north central section of the UCLA Campus.

## From the 405 Freeway:

Exit on Sunset Boulevard and proceed east on Sunset about 1.5 miles to the Westwood entrance of campus. Turn right onto Westwood; proceed straight ahead to the ramp leading underground to the Parking and Information Kiosk within **Parking Structure 4 (P4)** and the adjacent metered **Pay-Per-Space** parking area (**P4 Janss**). Daily parking permits are \$10 and allow for same-day multiple entries to the same parking structure by reusing the paper access card. To pay for parking in P4 or to claim your reservation, announce yourself to the Kiosk staff as you have been advised by your Anderson host. If you wish to use the pay-per-space area, simply proceed past the kiosk and turn left at the stop sign into the pay-per-space lot.

- If your permit reservation is for **Parking Structure 4 (P4)** park in a location consistent with the permit type (yellow or blue), take the stairs or elevator to the Plaza level, and enter the Complex from Building A (Collins Center), Building B (Gold Hall), or C Building (Entrepreneurs Hall). You may not park in Blue X or handicapped stalls without a permit for same.
- If your permit reservation is for **Structure 5 (P5)** exit Structure 4, return to Sunset, and turn right on Royce Drive to access Structure 5. Structure 5 has 6 levels. At the crest of the hill (at the stop sign) turn right for "blue" levels 4 & 5. Proceed straight down the hill for "yellow" levels 6, 3, 2, and 1. The permit given you at the Kiosk will lift the gate arm to allow vehicle entry.
